School Newsletter

Edition: 280 8th March 2024

"Everything we can be, with Christ in our hearts."

"Pupils receive an exceptional education at this school..."

So says the opening line of our Ofsted report, published today! [CLICK HERE to read in full.](#)

It gives me great pleasure to share with you the inspectorate's findings from their visit just before half-term.

The inspection itself was a real pleasure in that we were given a chance to fully show off the best that our school had to offer, and the inspectors listened carefully and agreed...exceptional!

The children were the stars on the two days; it is they that set the tone and feel for how an inspection unfolds. "An impressive group of children..." was the summing up of one – and I couldn't agree more! They are the jewel in our crown, and they deserve the best we have to offer. The best teachers, the best support staff, the best office and site staff and the best governors – and we have them all!

A big thank you too to our parent community. I love what you invest in our school; time, humour, care and patience. Even when conversations get difficult, which they will from time to time, they are underpinned by trust that will never be taken for granted. Your measured, even handed and supportive interactions with us mean we keep the children's welfare and progress firmly at the centre. A cursory glance at national news at the moment will tell you how unusual this is. Thank you.

I am so very proud of this school; it is a richly deserved recognition of many years of hard work and dedication.

Have a lovely weekend everyone – see you on Monday!

S. McNicholas, Headteacher

The more that you
READ
The more thing you will
KNOW
The more that you
LEARN

GO

-Dr. Seuss

World Book Day 2024

"The school has made reading an absolute priority and a love of reading is evident".

(Ofsted 2024)

Community

Ofsted
raising standards
improving lives

Our Ofsted report recognised what an amazing community our school is!

“The school is a strong community and pupils also take an active role supporting each other as playground buddies, mentors and school council representatives. Pupils are confident to take the initiative and support others.”

“The school provides an excellent quality of education and care for the community it serves.”

“The school fosters a keen sense of community, working closely with families.”

Ukulele Time in Class 5

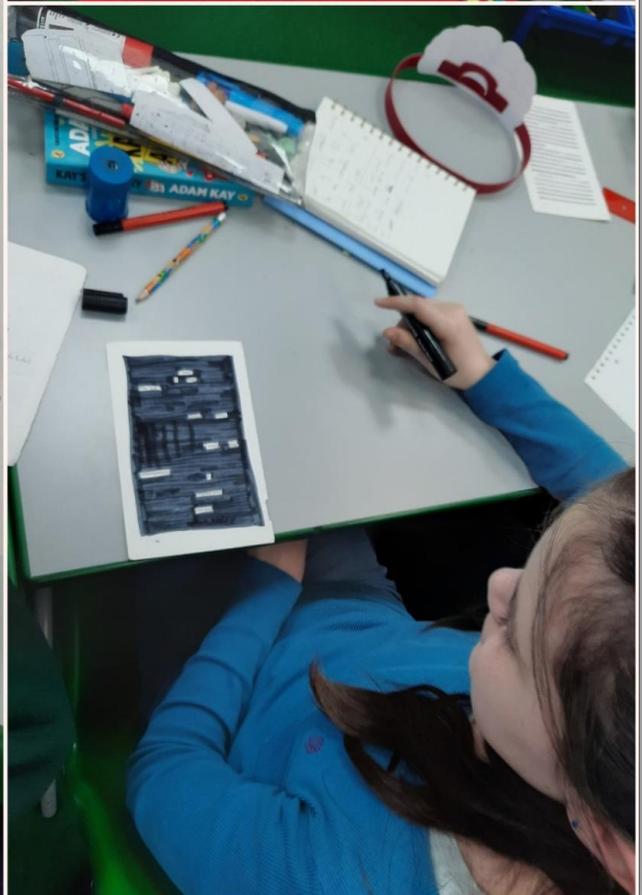

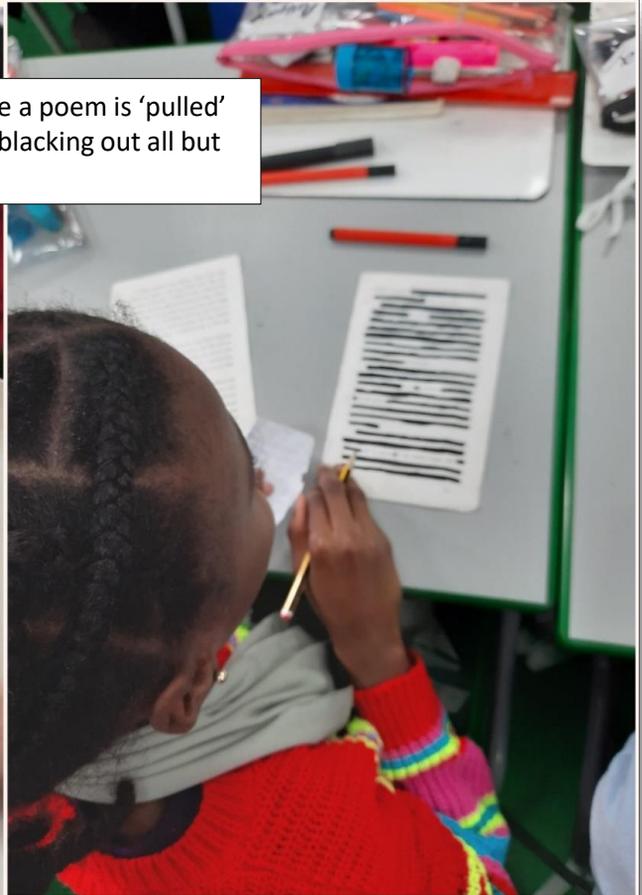

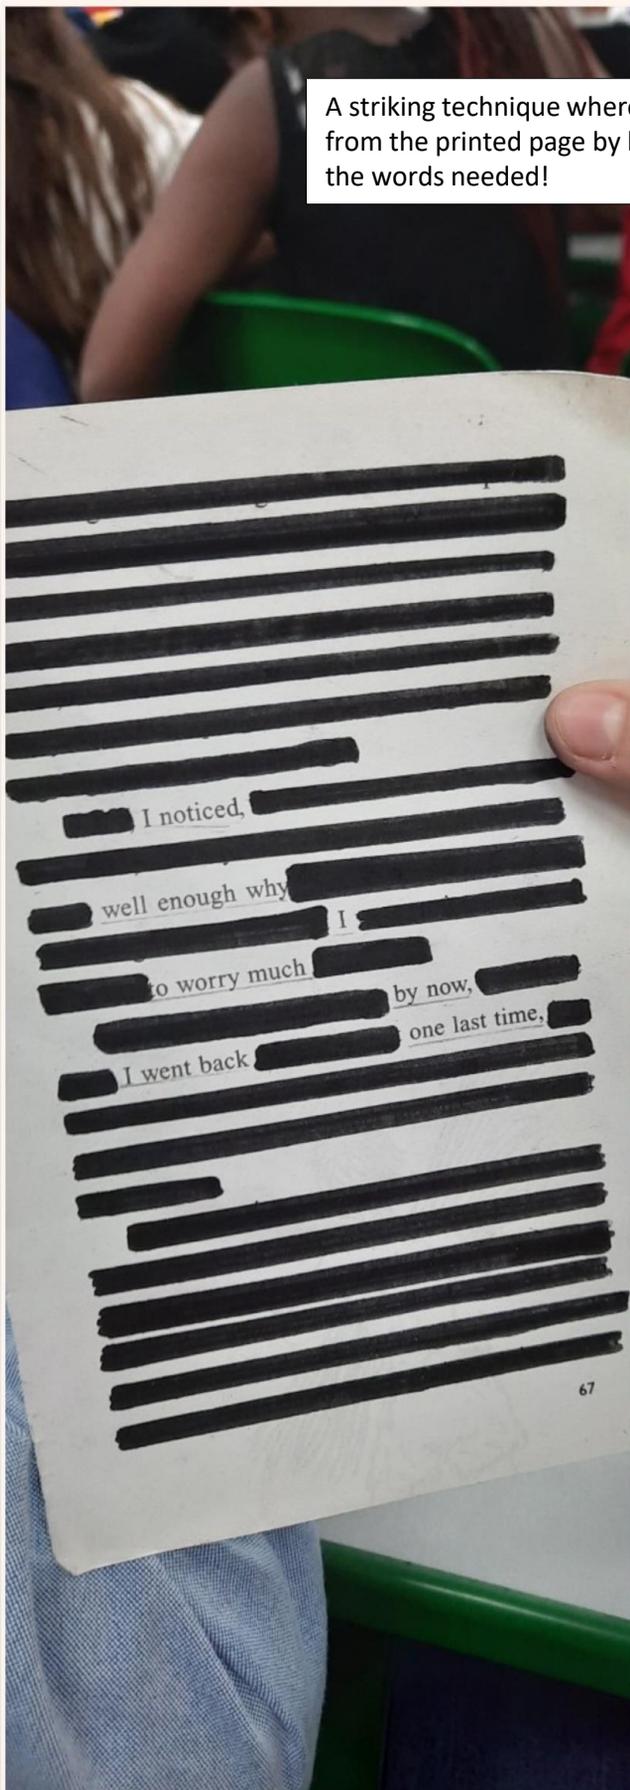

It's that time of year again, when Y5 put all of the musicianship training into practice by picking up the Uke! Sounding lovely guys!

Blackout Poetry in Class 6

A striking technique where a poem is 'pulled' from the printed page by blacking out all but the words needed!

NURSERY PLACES

Summer Term 2024

Application forms for admission to our nursery in the spring term 2024 are now available from the school office for children completing 3 years this Spring..

STARS OF THE WEEK

THE FORCE IS STRONG IN THESE ONES...

8th March 2024

Reception:

I would like to choose **A** for her effort to contribute to a positive class environment - her enthusiasm for learning is inspiring. She has also been sharing and taking turns with her friends at playtime showing great maturity. Keep it up!

I would like to choose **L** as another star this week. Whenever there is a friend in the class who is trying to accomplish something, Leandro is always there to support. He encourages his friends by taking their hand or even cheering them on. He is a great friend and we are very lucky to have him.

STARS OF THE WEEK

THE FORCE IS STRONG IN THESE ONES...

8th March 2024

Star
of the
WEEK

Class 1:

I would like to award **E** as star of the week for her amazing reading. This week she amazed me with her 40 word phonic check quiz you managed to read most of your words and scored a score 38 out of 40 well done! You were taking your time to sound out all of the nonsense words as well as reading the real words. We have not even finished learning all of our special set 3 sounds yet but I can see that you are looking at your complex speed sound chart at home. I can see that you are constantly revising your speed chart that when I do our sounds re-cap daily you already know some of the sounds and I have not even taught them to you yet! I love seeing your enthusiasm for learning which is infectious! You should be very proud of yourself this week well done!

A big well done to **J** this week for being our computing star! Josiah you were able to log on to your computer by remembering your password and username. Exploring all the fun things that you can do with technology. I can see that you are very confident typing sentences onto your keyboard and really focusing on the tasks at hand. You are never too afraid to have a go and that is such a lovely quality to have. You were even helping some of your friends who were finding it tricky to log on to their computers. Thank you for being the mini computing teacher this week. Great work and keep it up.

8th March 2024

STARS OF THE WEEK

THE FORCE IS STRONG IN THESE ONES...

Star
of the
WEEK

Class 2:

This week we have a star for someone that has worked really hard with maths. Last week I could see that money was a little bit of a challenge for this person and sometimes trying to add the total amount of money proved to be difficult. This week though we have seen a big improvement and it is wonderful to see C managing to complete the tasks! Keep working hard!

The next star is for R! You have worked so hard in class and always do. You are trying so much to participate in lessons and helping your partner as well. It is wonderful to see how enthusiastic you are about all of your lessons and you have a great attitude towards completing your work. Well done!

STARS OF THE WEEK

THE FORCE IS STRONG IN THESE ONES...

8th March 2024

Star
of the
WEEK

Class 3:

Great job this week Year 3! They were all super stars on our trip to the Library and were an excellent example to others.

M – For her fantastic answering in RE this week as she put her hand up for every question. She is clearly using her knowledge from church and bringing it into school. Well done.

G – For her hard work and positive attitude to learning. She is a real role model to others and tries her best in all of her lessons. She listens carefully and always follows instructions carefully. Well done!

8th March 2024

STARS OF THE WEEK

THE FORCE IS STRONG IN THESE ONES...

Class 4:

This week we have chosen N as our first star. He always comes to school ready to learn and puts 100% into everything he does. He worked slowly and methodically in his maths review and was always at hand to help his partner. Our second star goes to J for being a kind and encouraging partner. Regardless of the task, she will get involved and ensure those who work with her are included. She always has something positive to say or share about others and is a fantastic role model to us all.

STARS OF THE WEEK

THE FORCE IS STRONG IN THESE ONES...

8th March 2024

Star
of the
WEEK

Class 5:

Our first star this week is for writing. This child is soaking up all her new found grammar knowledge like a sponge. She is listening carefully, trying her best to apply the new concepts and is moving forward with impressive confidence and purpose. Well done to **A**. Our second star is going to someone who has impressed Mrs. Kavanagh and Mrs. Mc Donagh during the weekly swimming sessions. This child has stood out for their attentiveness, focus and excellent attitude to each lesson. But more than this, she has been a fantastic ambassador for the school by doing everything with such kindness, grace and positivity. Well done to **A**.

STARS OF THE WEEK

THE FORCE IS STRONG IN THESE ONES...

8th March 2024

Class 6:

Both F and A have been working so hard at being active learners this week. Both have put their hand up more and more in whole class settings and in small groups to contribute. They have listened carefully and answered with interesting points for discussion. Very well done both!

celebrate!

HAPPY BIRTHDAY

Taekwondo star!

Match-winning striker!
